TECHNICAL SKILLS

Python3 C++ C

SQL HTML, CSS, JS

Django Git

Raspberry Pi

Arduino

SOFT SKILLS

Problem Solving

Leadership

Adaptability

Creative Thinking

EDUCATION

B. Tech in Electronics And Telecommunication Engineering
Walchand Institute of Technology, Solapur.

2020 - 2023   *Pursing(SY 86.95%)*

Diploma in Electronics And Telecommunication Engineering
Brahmdevdada Mane Polytechnic, Solapur.

2017 - 2020   *92.35%*

SSC MSBSHSE
Sambhajirao Shinde Prashala, Solapur.

2016 - 2017   *89.20%*

TRAINING

In-Plant Training
Omax Technology, Vidya Nagar, Solapur.

05/2019 - 06/2019

Workshop on Renewable Energy Source
Brahmdevdada Mane Polytechnic, Solapur.

02/2018

PROJECTS

Digital Frame (TE mini project)
A display/ frame while display different images depending on temperature and also display some environmental factors.

Smart Door Locker (Diploma final year project)
A arduino based project in which using RFID sensor and AFID card user can open door.

ACHIEVEMENTS

Winne In Circuit sudoko
State level Technical Symposium "KARMATECH- 2K22" in Karmayogi Engineering College, shelve, Pandharpur dated 14th May 2022.

Runner Up in Blind- C
State level Technical Symposium "KARMATECH- 2K22" in Karmayogi Engineering College, shelve, Pandharpur dated 14th May 2022.

Winner In Electronics Circuit Simulation
National Level Technical competition "DISTA 2022" in N B Navale Sinhgaad College of Engineering, Solapur. 23rd April 2022

Runner Up Project Idea Presentation
National Level Technical competition "DISTA 2022" in N B Navale Sinhgaad College of Engineering, Solapur. 23rd April 2022
